ACCESORIES

A white lounge chair with a yellow cushion and a rolled white towel, set against a background of a swimming pool.

SLINGS

Sling fabrics are a smart, stylish choice, offering breathable comfort and modern appeal with zero fuss. Designed to withstand the rigors of sun, rain, and everyday use, sling material is quick-drying, fade-resistant, and easy to clean. Durable, low-maintenance, and effortlessly elegant, sling fabrics deliver comfort and performance season after season.

FRAMES

Powder-coated frames offer unmatched strength and style for outdoor furniture, delivering a sleek, high-end finish that stands up to the elements. This advanced coating process creates a durable, weather-resistant barrier that resists rust, corrosion, chipping, and fading—even in harsh sun or salty coastal air. Available in a variety of colors and textures, powder-coated frames not only enhance the look of your outdoor space but also ensure long-lasting performance with minimal maintenance.

VINYL

Vinyl strapping is a timeless choice for outdoor furniture, combining comfort, durability, and easy care in one sleek package. Resistant to sun, rain, and humidity, it won't fade, crack, or mildew. Lightweight and flexible, vinyl straps offer supportive seating without the need for cushions, and they're available in a wide range of colors to match any décor. Easy to clean and built to last, vinyl strapping brings lasting beauty and low-maintenance style to any outdoor space.

SHADE

The umbrella is the pièce de résistance to any outdoor space; it's important to get it right. And fortunately, with our massive variety of adjustable umbrella shapes, sizes, styles, and color options, it's going to be pretty difficult to get it wrong. We also carry a selection of canopies and cabanas to offer guests a more intimate escape from the sun.

SIGNATURE TABLES

Made with durable materials and delightful designs, Sundrella's signature tables make a classic combination with any of our furniture lines. With a variety of table top materials, patterns, and colors to choose from, it's never been easier to match your accent table seamlessly with your décor.

PILLOW/CUSHIONS

Sundrella offers a variety of customizable sizes and shapes for accent pillows, headrests, bolster pillows, or any cushion you can imagine. Each of our pillows is made with weather- and fade-resistant Sunbrella fabric, to ensure your cushions stay as bright and inviting as the outdoor space they decorate.
